

Technical Services Information Bureau

Technical Advisor

Technical Services Information Bureau, Orange, CA

A note from the CTO: TSIB is seeking a talented professional for the position of Technical Advisor. The Technical Advisor will be required to perform jobsite inspections, prepare inspections letters, research technical questions from architects, contractors and their affiliates, as well as attendance of onsite business meetings related to the Lath, Plaster and Drywall industries. If you are looking for a challenging place to grow and be supported, and have knowledge of construction related to Gypsum Board, Plaster, Lathing and Framing, as well as Two (2) years of community college or vocational school experience we would love to discuss this opportunity with you.

Required

- Ability to create and edit in MS Word, MS Excel, PowerPoint, Outlook and Adobe
- Effective organization and planning skills
- Ability to communicate in a concise and effective manner
- Ability to understand and follow instructions precisely
- Ability to work independently
- Knowledge in use of Technical/Code Books
- Ability to evaluate jobsites
- Work from ladders and scaffolds
- Perform tasks which include bending, stooping, kneeling, standing and walking significant distances
- Valid CA Driver's License and reliable vehicle for travel to job sites
- Flexible work schedule
- Able to travel Three (3) to Four (4) times per year, with a duration of up to Four (4) days in length

The duties listed above are intended only as illustration of the various types of tasks that may be performed. The omission of specific statements does not exclude them from the position if the work is similar, related or logical assignment to this class.

Please submit your resume as a PDF via email to Darin Coats at darin@tsib.org. All qualified candidates will be notified via email.
